

## E X E C U T I V E   L E A D E R S H I P   C O A C H I N G

### **Key Business indicators for assessing the need for development and commitment.**

- Are you staying at the top of your game?
- Do you keep expanding your skill sets to create a dynamic environment?
- Do you accept the challenge of leadership as path of growth in all aspects of your life?
- Are you personally passionate and on fire for your own growth and change?
- Have you dumbed down or accepted your current performance based on the environment or hitting too many brick walls?
- Do you want to see the impact of your positive change and self management have a positive impact on your team, organization and market?
- Do you find yourself accepting being comfortable vs. the un-comfortableness of growth?
- Do you find you are living true to yourself and your own personal best in all aspects of your life?
- Do you have areas that are limiting beliefs that inhibit personal standards of success?
