Key Business indicators for assessing the need for development and commitment.

- Are your meetings a reporting mechanism focused on lagging indicators?
- Does your team know how to effectively communicate the key issues and come to a resolution that meets the needs of the company, market, customers and team?
- Are the team members able to release internal turf protection for the greater achievement of the company?
- Is the team permission based and holding back to say what will appeal vs what is real?
- Is your company focused on the right conversations to innovate and grow in the market?
- Are the right initiatives activated with speed and agility?
- Are you using the talent effectively?
- Are their favorites (people, projects, ideas, habits) that are limiting the future potential?
- Do the key leaders walk away feeling more intelligent, stretched and hungry to achieve?
- Are you open to work with an experienced facilitator who can shift your team dynamics and behaviors to take you to a new level of performance?
